

DMCC and JLT Welcome Aviv Clinics – A New Era of Healthcare Innovation

08 April 2021

DMCC welcomes and congratulates [Aviv Clinics](#) – a pioneering medical science facility focused on enhancing and optimising brain and body performance – which opened in Jumeirah Lakes Towers (JLT).

The inauguration of the state-of-the-art clinic was conducted in the presence of His Highness Sheikh Ahmed bin Saeed Al Maktoum, Chairman and Chief Executive of Emirates Group, and President of the Dubai Civil Aviation Authority, His Excellency Sultan Ahmed Bin Sulayem, Chairman of Dubai Chamber of International Trade and Chairman of DP World, senior government representatives from a number of UAE Ministries and the newly appointed Consul General for Israel, His Excellency Ilan Stzulman Starosta. The opening signals a new era in healthcare innovation and collaboration between UAE and Israel, following last year's signing of the Abraham Accords.

“DMCC is home to some of Dubai’s most innovative companies and individuals shaping the future of tomorrow. We are delighted that our Jumeirah Lakes Towers community has been selected as the setting for the world-class Aviv Clinics Dubai. This innovative collaboration reflects the potential of the relationship between the United Arab Emirates and Israel, and Dubai’s ability to attract expert minds. Those searching for the future can find it in Dubai, and this is just one of the reasons why the emirate is the perfect location for the new era of healthcare innovation,” said **Ahmed Bin Sulayem, Executive Chairman and Chief Executive Officer, DMCC.**

The Aviv Medical Programme is a transformative treatment scientifically proven to reverse physical and cognitive decline caused by the ageing process. Combining Hyperbaric Oxygen Therapy (HBOT) with the latest neuroscience, physiology research and the most advanced diagnostic imaging technology, there is no other programme in the world using the unique protocol delivered by Aviv Clinics.

Aviv Clinics Dubai is manned by an international team of physicians, physiologists, neuropsychologists, nurses, experts in the ageing process and data scientists at the forefront of medical science and technology. The 7,000 square meter facility in JLT, Dubai is the second Aviv Clinic in the world, the first having opened in Florida, USA in 2020.
